

Arizona Citizens for the Arts
Governor's Arts Awards
Pertinent information

Awards Description: Presented by Arizona Citizens for the Arts, the Arizona Commission on the Arts and the Office of the Governor, the Governor's Arts Awards are awarded to recognize outstanding achievement and contributions to the Arizona arts community. Each year the awards are presented by the Governor of Arizona at the Governors Arts Awards Dinner, which is attended by prominent local and national elected officials, artists, and members of the business community.

Arizona Citizens for the Arts: Arizona Citizens for the Arts is the premier arts advocacy organization in Arizona; dedicated to the mission of increasing discussion and awareness of the importance and impact of the arts in achieving quality of life, educational excellence and economic health for all Arizonans and Arizona enterprises.

Arizona Commission on the Arts: One of 56 state and jurisdictional arts agencies across the United States, the Arizona Commission on the Arts is an agency of the State of Arizona that supports a statewide arts network. The Arizona Commission on the Arts supports access to quality arts and arts education opportunities for all Arizona citizens; the development and retention of statewide jobs in the nonprofit arts, culture and education sectors; and increased economic impact in local communities through arts-based partnerships that develop tax and small business revenue. *Imagine an Arizona where everyone can participate in and experience the arts.*
